They got a bottle of Drake's Palmetto Wine and in one week their child had no more trouble with bed wetting. The Drake Formulin Company, Drake Building, Chicago, Ill., will send a trial bottle of Drake's Palmetto Wine free and prepaid to any reader of this paper who wishes to test Drake's Palmetto Wine without expense. ## INDICATED FOR WHOLESALE LAND FRAUDS IN WEST.

John A. Benson, Henry Dimond, Frederick Hyde and Joost Schneider Persons Wanted.

ONE IS NOW UNDER ARREST.

San Francisco and Arizona Firms Alleged to Have Filed Many Fraudulent Applications for Grants.

MORE CASES EXPECTED.

Irregular Transactions Applied to Tracts in More Than Half a Dozen Western States in Systematic Manner Always Successful.

Washington, Feb. 17.—As a result of the investigation of the alleged wholesale public-land frauds in many Western States the Grand Jury of the District of Columbia today reported a joint indictment for conspiracy against John A. Benson, a wealthy real estate operator of San Francisco; Frederick A. Hyde of San Francisco, closely identified with Benson in land affairs; Henry C. Dimond of California, an attorney representing Benson and Hyde, and Joost H. Schneider of Tucson, Ariz., an agent of Benson and Hyde.

Bench warrant immediately were issued, and Schneider was arrested in this city late this afternoon by Secret Service Agent William J. Burns, who has been quietly investigating alleged public-land frauds in a number of Western States.

Schneider was taken before Justice Barnard late this afternoon, and the latter fixed his bail at \$20,000. Attorneys Cole and Donaldson, representing the defendants, asked that bail be fixed at \$5,000, while the Government insisted on a \$25,000 bond.

Schneider has been a witness before the Grand Jury in the cases against the other defendants. Benson already had been indicted here on a charge of bribery, and is now believed to be in New York, while Hyde is thought to be in San Francisco.

The indictment is a voluminous document and sets forth a number of transactions by which land is alleged to have been fraudulently acquired from the Government in California, Oregon, Washington, Nevada and elsewhere. It is charged that all of the indicted persons on December 30, 1903, in this city, conspired to defraud the United States out of the possession of and title to numerous large tracts of public lands of the United States.

The scheme outlined in the indictment and alleged to have been practiced in these transactions, and that the public lands, or other lands by application, assignment and purchase in the names of fictitious persons or of persons not really desiring or qualified to purchase them, Hyde and Benson paying them small sums for the lands. The indictment charges that there were false representations in all these transactions, and that the public lands, or other lands by application, assignment and purchase in the names of fictitious persons or of persons not really desiring or qualified to purchase them, Hyde and Benson paying them small sums for the lands.

In pursuance of this alleged conspiracy thus carried through by dummy applicants, certain unsurveyed tracts in the Olympia, Wash., Land District, containing 3,000 acres, selected in the name of C. W. Clarke, Frederick A. Hyde and John A. Benson, were obtained, and other lands specifically cited were secured, including large tracts in the Visalia and Vancouver Land Districts in Washington, in the Woodward Land District in Oklahoma, the Cascade Range Forest Reserve country in Oregon, the San Francisco Land District and the Carson City, Nev., Land District.

The arrest of the other persons indicted is expected very soon. The action taken disposes of all the land fraud cases just presented to the local Grand Jury, but others may be submitted at any time and proceedings are expected in other jurisdictions.

**Sixth Warrant Against Rinder.**

Another warrant, the sixth, was issued yesterday against Walter Rinder, who is charged with obtaining money by false pretenses by renting a flat on Lincoln avenue to several persons. Mrs. William Briggs, the sixth victim, secured a warrant against Rinder, who had paid \$20 to Rinder for the flat, which, it is charged, he had no right to rent, although he had taken money from six persons for it.

Mrs. W. Marks (W. Marks, upholsterer), residence 472 Easton avenue, said: "Pain across the small of the back at first appeared apparently without cause and disappeared just as mysteriously, but latterly, when for two years it was almost continuous, many a time I was almost unfit for ordinary household duties and what to do or what to take to check the annoyance was a mystery. Noting Doan's Kidney Pills recommended by a great many people in St. Louis led me to go to the Wolf-Wilson Drug Co. for a box. It helped and I continued the treatment until the backache ceased. I gave a dose or two to a friend of mine. I acted just as beneficially."

## PRIZES GIVEN TO PRODUCERS OF WHITE AND YELLOW CORN.

Specimens of prize-winning corn exhibited at Corn Show. The ear to the left was raised in Mercer County and measures 15 inches. The one to the right is the product of Franklin County and is 14 inches long.

Thousands of visitors crowded the Missouri State corn show at Washington avenue and Broadway yesterday. In addition to the hundreds who are interested in the raising of corn and its products, the crowd included scores of persons who were attracted by the beauty of the display.

Selections from the display will make up the Missouri exhibit at the World's Fair, and the opinion of experts, freely expressed yesterday, indicates that Missouri will easily take a prominent rank among corn-producing States.

The chief interest of the corn show yesterday centered in the awards of ten prizes for the best specimens of white corn designated as class A, and ten prizes in the class B exhibit, which was made up of yellow corn.

The prize list for each class was as follows: First prize, \$100; second prize, \$75; third prize, \$50; fourth prize, \$40; fifth prize, \$30; sixth prize, \$25; seventh prize, \$20; eighth prize, \$15; ninth prize, \$10, and tenth prize, \$5.

The prize-winners in the white-corn contest were: E. T. Long, Fayette, first; Elmer Tucker, Perryville, second; Leon Long, New Franklin, third; G. W. McCoy, Bruesels, fourth; S. R. Walker, Liberty, fifth; G. W. Palmer, Fergusville, sixth; M. A. Moss, Chillicothe, seventh; J. B. Carum, Boileau, eighth; F. D. Hersey, Trenton, ninth; and William Long, Jackson, tenth.

The competition in the yellow corn exhibit resulted as follows: C. O. Raine, Canton, first; Mason Redding, Hines, second; Andrew Howden, Skidmore, third; C. A. Greisenauer, O'Fallon, fourth; E. R. Johnson, Booneville, fifth; E. Kisse, Freedom, sixth; C. I. Mullinax, Princeton, seventh; Frank Ketter, Oregon, eighth; William Schaback, Stillings, ninth; and G. M. Lyons, Higginsville, tenth.

C. O. Raine of Canton received \$100 for the best specimen of different varieties of corn.

For the best exhibit of large ears of corn J. E. May of Labadie received \$25 and J. H. Wright of Princeton for the best display of long ears of corn, obtaining \$25.

Colonel E. E. Chester, president of the Illinois State Corn Growers' Association, presided as expert judge. Charles Weder of Edina, Knox County, is among the exhibitors.

The Corn Show will continue to-day and prizes will be awarded for the best collection of mixed corn of any variety of colors.

**FIGHT DUEL ABOUT DANCE ENGAGEMENT.**

Kentucky Girl Cannot Decide Who Shall Be Her Partner—Question Settled With Revolvers.

REPUBLICAN SPECIAL.

Lexington, Ky., Feb. 17.—Last night at a dance in Letcher county, Green Hall and Lieutenant Wash Jenkins of the Whitehouse State guards disputed over the pretty 15-year-old daughter of Judge Perkins, and drawing their revolvers, repaired to the yard in front of the Jones house, where the dance was being given, and fired three shots at each other at a distance of ten paces.

It seems both had an engagement to dance with Miss Betty Perkins and she inclined toward the uniform of Uncle Sam, although Hall has been more attentive to her and was thought to be engaged to her.

Hall, fired, desperately wounded, but his aim was not so good as that of the military adversary, and Jenkins came off with only a serious wound through his right leg. He was taken to the hospital and his condition is such that he could not be taken into custody.

**VICTIM DID NOT PROSECUTE.**

Alleged Fake Prize Fight Suit Dismissed.

Justice I. W. Campbell of St. Louis County yesterday dismissed the case of the State against Robert Smithson, who was charged with grand larceny in a warrant sworn to by Sam Williams, a hotel proprietor in St. Charles, Ill.

Williams was indicted from the Illinois grand jury by a person who called himself Doctor Parker and represented that he could make some easy money by betting on a fixed prize-fight that was to be given at the gymnasium of Smithson's home in Clayton.

The fight was fixed, as represented, but the witness for the State, who was paid \$2,000 that he had raised by mortgaging his home. The victim went to the St. Louis office and had Smithson arrested. He promised to appear against him in court, but after getting his money back disappeared.

Assistant Prosecuting Attorney Gardner went to Williams, telling him that he would have the warrant issued against him on a charge of compounding a felony if he did not appear to testify. It is probable that the warrant will now be issued.

Tenth Ward Association Writes Senators and Congressmen.

Letters have been sent to all United States Senators and Congressmen, signed by members of the Tenth Ward Improvement Association, asking that some action be taken to put the Government property in St. Louis in better condition before the opening of the World's Fair. It was suggested that a park be laid out about the barracks.

The arsenal, Marine Hospital and Jefferson Barracks are the properties referred to. About \$20,000 would be necessary to do this work, it is said. Congressional attention has been called to the matter, and a letter to the association, said this sum might be appropriated.
